

PROPOSAL

Share Career Advice to Inspire Refugees in Germany

Come together as a work team to empower and inspire refugees in Germany to pursue their dream careers by sharing your experiences and insights.

LIBERTY 
EXPERIENCE

2021

WHAT YOU'LL DO

Refugees often face many social and economic challenges while living in their new communities. These challenges, coupled with the long struggle of securing a valid resident permit or document, make it difficult for them to pursue their desired careers.

In this experience, you will inspire refugees in Germany to pursue their dream careers amid challenging situations. The session will begin with a brief introduction to the activity before you and your team enter breakout rooms to connect and interact with the nonprofit's beneficiaries. You will have the opportunity to listen to the beneficiaries' stories and share your personal experiences and perspectives on pursuing a career. Finally, everyone will reconvene in the main room for a general Q&A.

HOW YOU'LL MAKE IMPACT

Liberty Experience provides safe spaces and opportunities for displaced migrants to integrate and economically contribute to the German community. Through our projects, we concretely contribute to the SDG 10.2: "Empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status".

By participating in this session, you will help us achieve the following specific (2021) goals:

- Give 50 musically talented refugees platforms to build their own brands
- Provide opportunities to 150 refugees integrate into the German community

VALUE FOR YOUR COMPANY

- Practice social responsibility by helping refugees answer the most important questions and inspire them to take positive actions
- Engage in the challenge of solving the global challenge of inequality through economic empowerment
